Dear One Health Work Group,

In preparation for the upcoming work group call on next Weds, Jan 18 at 2pm (ET), please review the following four documents (all attached).

- 1) **Meeting agenda:** Please take a look at the topics we will cover during the call.
- 2) **Preliminary work group roster:** This document includes the names of forum members who are part of the work group, and names of external stakeholder nominees we have received so far.
- 3) **Preliminary matrix of work group expertise:** This document includes similar information as the roster, but also provides specific detail on member expertise, professional affiliation, gender, and ethnicity. This is intended to help you identify missing expertise from the work group and think about whom else to invite.
- 4) **Revised concept note:** Please take a look at the few edits made by your fellow work group members.

Finally, to call in to the meeting, please follow the instructions below:

[*NOTE: If you will be calling in from a country other than the U.S. or Canada, please let me know so that I can give you the correct country toll free number]

Please let me know if you have any questions. We look forward to speaking with you on Wednesday!

Best,
Ayano
